VERY SPECIAL WINES

We are very proud of the wines on our main wine list all of which are carefully selected from some of the very best vineyards in Europe and around the world. Whilst selecting for our list we are fortunate to encounter some really exceptional wines, often these are fine wines or are of limited availability but all are definitely very special. We hope you enjoy our selection.

CHAMPAGNE

Cristal Brut 295.00

Cristal, the jewel of the Louis Roederer House, needs no introduction. This Champagne was created for Tsar Alexander II in 1876 and has silky, velvety textures which provide perfect overtones for the wine's glorious freshness.

Doyard Cuvée Libertine 195.00

Doyard Cuvée Libertine is the result of a 10 year research project and is a unique and utterly delicious Champagne from a blend of 12 Chardonnay wines of four top vintages. It is then cellar aged for 12 years. This Champagne is also produced in an authentically shaped bottle with the cork restrained by hemp cord and a wax seal. The initial sweetness is beautifully balanced by lime and gooseberry acidity.
